

2026 - 2027 BOYS TEAM Competition Team Audition and Information Packet

The BSDA Boys Team was created to give boys who love to perform the opportunity to experience the excitement of competition in a way that fits their interests and goals. This team is designed for boys ages 7–13 who enjoy dancing and performing but are not looking to commit to the full training requirements of our traditional Competition Team. Instead of requiring multiple weekly technique classes, Boys Team members train together once a week focusing on jazz, hip hop, and competition choreography.

Throughout the season, Boys Team dancers will perform at our Competition Season Showcase, compete at four regional competitions alongside BSDA's Competition Team, and perform in our annual recital. The program emphasizes teamwork, confidence, performance quality, and having fun while providing a rewarding competitive experience.

The Boys Team is a separate program from our traditional Competition Team. Dancers who wish to compete in additional dance styles or perform a solo must meet the training and class requirements of the full Competition Team, including enrollment in ballet and jazz.

We are excited to offer a program that makes competitive dance more accessible for boys while continuing to provide a positive, challenging, and memorable experience both on and off the stage.

Requirements for the Boys Team

In addition to the audition, dancers must also meet the following requirements:

1. Dancers must be a student at BSDA and are in good standing. New students must enroll at BSDA for Fall 2026.

The boys team will perform during our 2027 recital.

CAN I PARTICIPATE IN MORE THAN THE ONE GROUP?

Boys interested in competing in additional competition group dances will be eligible to be in another jazz or hip hop competition group, these rehearsals will be on Saturdays in Brandon.

Boys are also eligible to compete in a jazz or hip hop duo/trio, these rehearsals are scheduled directly with the teachers for the duo/trios.
